"The purpose of spiritual disciplines is liberation from the stifling slavery to self-interest and fear. When the inner spirit is liberated from all that weighs it down, singing, dancing, even shouting can characterize the Disciplines of the spiritual life." During Lent (Feb 18 - Mar 25), HLC will be offering a 6 part series on the Spiritual Disciplines of Prayer, Study, Simplicity, Service, Worship, and Celebration, based on Richard Foster's book, Celebration of Discipline. Each week we'll focus on a different discipline, exploring how it is that they can set us free to love God with all we have. Please join us!"
