Are you available to help out? Come to church by 10:30am to help set up or plan to stay until 2pm to help with clean up. This is a community-wide event; come lend a hand and enjoy the fun!

Soup, sandwiches, a tasty dessert - followed by our own unpredictable games of Bingo.

This month we'll be collecting items for the classroom of Joe Milius.

Included on his list are all colors of construction paper, crayons, glue sticks, colored pencils, non-mechanical pencils, Clorox wipes, Kleenex, bookmarks, washable markers, stickers, rulers, and liquid Elmer's Glue.

Let's fill Joe's storage cabinets!

New Music Director ... Emily Stover

Emily is excited to begin working with the music ministries at Highlands Lutheran, as she loves working in church ministry and helping others connect with Christ through music. In their free time Emily and her husband, Brandon, love to play board games and are looking forward to getting to know everyone at Highlands!

HELLO HIGHLANDS!
